

Our Vision

We see a world of hope—

where there are no limits on potential.

The greatness in every child is inspired and celebrated, and dreams are realized through opportunities and education.

Our Mission

In partnership with Knox County Schools and the communities we serve, our mission is to impact generational change through education. Our K-16 approach as a premier nationally-recognized college/career access program focuses on:

1. college/career access and success
2. social services support
3. family, neighborhood & community engagement
4. intentional support for students from disadvantaged circumstances
5. scholars in 14 urban schools in Knoxville

Our Values

Teamwork - Our relationships are grounded in trust and defined by a commitment to reciprocal care and shared responsibility.

Respect - Every person matters and each person's dignity is honored.

Service - We passionately advocate and care for those we serve and strive to deliver results that exceed expectations.

Honesty and Integrity - Our behavior is ethical and our intention is never to mislead.

Professional Competence - Each colleague possesses the skill set, tool set, support and resources to contribute his or her best work.

Professional Growth - We are committed to professionally growing ourselves and those we support.

Our "WIGS" (Wildly Important Goals)

Increase K-12 knowledge of postsecondary options, access, and pathways

Increase high school graduation rate

Increase postsecondary enrollment and success rate

It's all about the kids!
